PROFESSIONAL EXPERIENCE

Marketing Executive, India Leadership Council (ILC) The Times Group, Mumbai | 2026 - Present

- Lead end-to-end marketing campaigns for India Leadership Council leadership events, from ideation and planning through execution.
- Manage ILC digital presence across **LinkedIn, Instagram, X (Twitter), and Facebook**, developing platform-specific content to improve event visibility and member engagement.
- Develop campaign concepts, creative briefs, marketing copy, and promotional assets aligned to executive event positioning and brand standards.
- Produce AI-assisted visual references and concept directions for the creative team to accelerate design development and maintain consistency.
- Coordinate with Creative, Content, Operations, and Member Engagement teams to deliver integrated campaigns within tight timelines.

Assistant Retail Store Manager Red One Bags & More, Mumbai | Jun 2022 - Jul 2024

- Managed marketing and daily operations across two retail outlets generating approximately INR 8 lakh per month in combined revenue.
- Used customer feedback, seasonal trends, and sales patterns to inform promotions, merchandising decisions, and product placement.
- Supported in-store engagement initiatives and inventory planning to strengthen conversion and sustain daily sales targets.

INTERNSHIPS

Brand & Consumer Insights Intern Kantar IMRB, Mumbai | Mar 2026 - Apr 2026

- Supported Brand Health Tracking and Ad Testing studies by structuring findings into client-facing presentation decks.
- Conducted competitive benchmarking and category analysis for the FMCG muesli segment to map consumer behavior and brand perception shifts.
- Built cross-tab summaries and Excel-based KPI reports that helped brand managers track campaign performance and audience sentiment.

Data Analytics & Marketing Trainee / Intern DivSriVin Technologies, Mumbai | May 2025 - Oct 2025

- Performed exploratory data analysis on 11 project across retail, auto mobile, Hospital, banking, finance and consumer datasets to surface purchase behavior patterns and segment-level insights.
- Identified audience segments and behavioral trends that informed marketing strategy, campaign planning, and content positioning.
- Translated analytical outputs into stakeholder-ready summaries using Python, Excel, and Power BI.
